

BAYVIEW PUBLIC SCHOOL NEWS-Week of June 26, 2017

Overdue Library Books: Thank you for checking for these at home. If you can't locate the book, we greatly appreciate you sending in a cheque to cover some of the costs associated with replacing the book(s).

Staffing Updates for September 2017:

Becky Tessier and Chantal Hua will be returning from maternity leave in September. Welcome back Mme Becky and Mme Chantal! Dani Kealey will be extending her maternity leave and will be returning in September 2018 and Mrs. McRae also continues to be on leave. We will receive full year Long Term Occasional teachers behind both Dani and Susie.

We wish all the best to teaching staff who will be completing their Long Term Occasional Contracts on Friday. The Board is in the process of placing these English teachers: Erika Seguin and Heba Mohamed. Chelsea Nicholson will be in one school next year, and so is finishing her time at Bayview. We wish her all the best. Congratulations to Kelsi Leach who has secured her first contract-- 73% at Lady Evelyn very close to her home! While we will certainly miss Mme Kelsi, we are so happy that she will now have a permanent contract! Kristen Heckman is increasing her permanent status at Bayview from 50% to 80% English to French Immersion. This means that she will no longer be the homeroom teacher for one of the Kinder classes, but in addition to doing English to French immersion will provide coverage in Kinder classes. Congratulations, Kristen! We also wish to congratulate Megan McGovern our one our pm ECEs. Megan was the successful applicant for a Childcare Supervisor Position with the City of Ottawa. She will finish her year out with us and then begins her new position on July 4th!

And finally, as you know, Gillian Williamson and I will be retiring June 30th. Denise Gagnon-Lebrun is very excited to become Bayview's new principal

The Board will be staffing our English vacancies (Long Term and Contract and one 20% French LTO) and I might have another update to share by the end of June 30th. At that time I will post an updated staffing list to the school webpage..

Class Organization for September: We continue to have strong enrollment for the fall. We currently have 30 more students enrolled for September than our current numbers. and we continue to update class lists.
